111TH CONGRESS

MARCH 29, 2011.—Ordered to be printed

Mr. JOHNSON, from the Committee on Banking, Housing, and
Urban Affairs, submitted the following

R E P O R T

INTRODUCTION

In the midst of the historic economic crisis that befell the Nation in late 2008, the Congress and the Bush Administration took aggressive and historic action to avert a second Great Depression. In the 111th Congress the Committee on Banking, Housing, and Urban Affairs took on the historic challenge of rewriting the laws governing financial markets to protect our economy from the failures and abuses that fueled the crisis. Simultaneously, the Committee continued to address concerns about trade, transportation, housing, and international affairs, in addition to its oversight responsibilities and its consideration of nominations as the new Administration took shape under President Obama. The 111th Congress proved to be a productive and unprecedented work period for the Committee. Several key pieces of legislation were passed, most notably the Dodd-Frank Wall Street Reform and Consumer Protection Act, which completely overhauled the system of financial regulation and created the first federal entity dedicated to consumer protection.

The legislative accomplishments of the Committee were built upon an exhaustive hearing schedule. The Committee had begun hearings on the growing housing crisis early in the 110th Congress. Those hearings continued and expanded well into the 111th Congress. The Committee has sought to ensure that the nation's regulatory structure was better suited to monitor a financial services industry that had evolved far beyond the rules written to regulate it more than 70 years ago. To that end, the Committee held nearly 40 hearings in the 111th Congress to identify the problems which led to the crisis and to develop solutions to prevent the recurrence of such problems. That work culminated with the passage of the

Restoring America's Financial Stability Act out of Committee in April 2010, which was signed into law as the Dodd-Frank Wall Street Reform and Consumer Protection Act in July 2010. The law addresses major sources of systemic risk for banking regulators, brings the shadow banking system under the regulatory umbrella, put an end to "too big to fail" bailouts, and established the Bureau of Consumer Financial Protection.

Putting an end to consumer abuses which helped fuel the crisis was a major priority for the Committee. Hearings in both the 110th and 111th Congresses underscored the premise that a strong financial system is built upon a foundation of sound consumer protections. The Dodd-Frank Wall Street Reform and Consumer Protection Act strengthens mortgage requirements to improve borrower protections and prevent consumers from borrowing more than they can reasonably be expected to repay. This legislation also requires lenders to verify that a borrower has the ability to repay the loan and tasks the Federal Reserve to regulate and exert its oversight to prevent originators from steering consumers to loans they cannot afford. In addition, the measure establishes clear appraisal standards that seek to prevent anyone from attempting to influence an appraiser to artificially inflate housing prices and makes resources available to state regulators to oversee appraisers and appraisal management companies.

Also, the Credit Card Accountability, Responsibility and Disclosure Act passed out of Committee in March 2009 and became law in May of that year, leveled the playing field between consumers and card issuers by targeting truly unfair, deceptive, and abusive practices by card companies.

The Committee also continued its work to relieve the impact of the housing crisis on homeowners, communities, and the economy through both oversight hearings on loan modifications and abusive mortgage servicing practices and through new legislation. The Helping Families Save Their Homes Act was signed into law to help avert mortgage foreclosures and improve mortgage credit availability.

The Committee also dedicated considerable effort to passing legislation such as the Public Transportation Extension Act; the Comprehensive Iran Sanctions, Accountability, and Divestment Act; and the Defense Production Act Reauthorization of 2009. Combined, these measures combat financial crimes, strengthen sanctions against Iran, improve federal transit programs, and promote national defense.

In holding more than 100 meetings and passing several major pieces of legislation into law, the Committee on Banking, Housing and Urban Affairs in the 111th Congress has taken many steps to rein in irresponsible behavior by financial institutions, protect consumers, and set the course for a new generation of more responsible and effective banking and financial services regulation in America.

RULES OF PROCEDURE FOR THE COMMITTEE ON BANKING, HOUSING, AND URBAN AFFAIRS

[Adopted in executive session, February 24, 2009]

Rule 1.—Regular Meeting Date for Committee

The regular meeting day for the Committee to transact its business shall be the last Tuesday in each month that the Senate is in Session; except that if the Committee has met at any time during the month prior to the last Tuesday of the month, the regular meeting of the Committee may be canceled at the discretion of the Chairman.

Rule 2.—Committee

[a] Investigations. No investigation shall be initiated by the Committee unless the Senate, or the full Committee, or the Chairman and Ranking Member have specifically authorized such investigation.

[b] Hearings. No hearing of the Committee shall be scheduled outside the District of Columbia except by agreement between the Chairman of the Committee and the Ranking Member of the Committee or by a majority vote of the Committee.

[c] Confidential testimony. No confidential testimony taken or confidential material presented at an executive session of the Committee or any report of the proceedings of such executive session shall be made public either in whole or in part or by way of summary, unless specifically authorized by the Chairman of the Committee and the Ranking Member of the Committee or by a majority vote of the Committee.

[f] Prior notice of first degree amendments. It shall not be in order for the Committee or a Subcommittee to consider any amendment in the first degree proposed to any measure under consideration by the Committee or Subcommittee unless fifty written copies of such amendment have been delivered to the office of the Com-

mittee at least 2 business days prior to the meeting. It shall be in order, without prior notice, for a Senator to offer a motion to strike a single section of any measure under consideration. Such a motion to strike a section of the measure under consideration by the Committee or Subcommittee shall not be amendable. This section may be waived by a majority of the members of the Committee or Subcommittee voting, or by agreement of the Chairman and Ranking Member. This subsection shall apply only when the conditions of subsection [e][1] have been met.

[g] Cordon rule. Whenever a bill or joint resolution repealing or amending any statute or part thereof shall be before the Committee or Subcommittee, from initial consideration in hearings through final consideration, the Clerk shall place before each member of the Committee or Subcommittee a print of the statute or the part or section thereof to be amended or repealed showing by stricken-through type, the part or parts to be omitted, and in italics, the matter proposed to be added. In addition, whenever a member of the Committee or Subcommittee offers an amendment to a bill or joint resolution under consideration, those amendments shall be presented to the Committee or Subcommittee in a like form, showing by typographical devices the effect of the proposed amendment on existing law. The requirements of this subsection may be waived when, in the opinion of the Committee or Subcommittee Chairman, it is necessary to expedite the business of the Committee or Subcommittee.

Rule 3.—Subcommittees

[a] Authorization for. A Subcommittee of the Committee may be authorized only by the action of a majority of the Committee.

[b] Membership. No member may be a member of more than three Subcommittees and no member may chair more than one Subcommittee. or such professional staff as is authorized by the Chairman or the Ranking Member of the Subcommittee.

[g] Special meetings. Immediately upon the filing of the request, the Clerk of the Committee shall notify the Chairman of the Subcommittee of the filing of the request. If, within 3 calendar days after the filing of the request, the Chairman of the Subcommittee does not call the requested special meeting, to be held within 7 calendar days after the filing of the request, a majority of the members of the Subcommittee may file in the offices of the Committee their written notice that a special meeting of the Subcommittee will be held, specifying the date and hour of that special meeting. The Subcommittee shall meet on that date and hour. Immediately upon the filing of the notice, the Clerk of the Committee shall notify all members of the Subcommittee that such special meeting will be held and inform them of its date and hour. If the Chairman of the Subcommittee is not present at any regular or special meeting of the Subcommittee, the Ranking Member of the majority party on the Subcommittee who is present shall preside at that meeting.

Any absent member of a Subcommittee may affirmatively request that his or her vote to recommend a measure or matter to the Committee or his vote on any such other matters on which a record vote is taken, be cast by proxy. The proxy shall be in writing and shall be sufficiently clear to identify the subject matter and to inform the Subcommittee as to how the member wishes his or her vote to be recorded thereon. In the event that the witness fails to file a written statement and brief summary in accordance with this rule, the Chairman of the Committee or Subcommittee has the discretion to deny the witness the privilege of

testifying before the Committee or Subcommittee until the witness has properly complied with the rule.

[b] Length of statements. Written statements properly filed with the Committee or Subcommittee may be as lengthy as the witness desires and may contain such documents or other addenda as the witness feels is necessary to present properly his or her views to the Committee or Subcommittee. The brief summary included in the statement must be no more than 3 pages long. It shall be left to the discretion of the Chairman of the Committee or Subcommittee as to what portion of the documents presented to the Committee or Subcommittee shall be published in the printed transcript of the hearings.

[f] Expenses of witnesses. No witness shall be reimbursed for his or her appearance at a public or executive hearing before the Committee or Subcommittee unless such reimbursement is agreed to by the Chairman and Ranking Member of the Committee.

[g] Limits of questions. Questioning of a witness by members shall be limited to 5 minutes duration when 5 or more members are present and 10 minutes duration when less than 5 members are present, except that if a member is unable to finish his or her questioning in this period, he or she may be permitted further questions of the witness after all members have been given an opportunity to question the witness.

Additional opportunity to question a witness shall be limited to a duration of 5 minutes until all members have been given the opportunity of questioning the witness for a second time. This 5-minute period per member will be continued until all members have exhausted their questions of the witness.

Rule 5.—Voting

[a] Vote to report a measure or matter. No measure or matter shall be reported from the Committee unless a majority of the Committee is actually present. The vote of the Committee to report a measure or matter shall require the concurrence of a majority of the members of the Committee who are present.

The proxy shall be sufficiently clear to identify the subject matter, and to inform the Committee as to how the member wishes his vote to be recorded thereon. By written notice to the Chairman any time before the record vote on the measure or matter concerned is taken, any member

may withdraw a proxy previously given. All proxies shall be kept in the files of the Committee, along with the record of the roll call vote of the members present and voting, as an official record of the vote on the measure or matter.

[b] Vote on matters other than to report a measure or matter. On Committee matters other than a vote to report a measure or matter, no record vote shall be taken unless a majority of the Committee are actually present. On any such other matter, a member of the Committee may request that his or her vote may be cast by proxy. The proxy shall be in writing and shall be sufficiently clear to identify the subject matter, and to inform the Committee as to how the member wishes his or her vote to be recorded thereon. By written notice to the Chairman any time before the vote on such other matter is taken, the member may withdraw a proxy previously given. All proxies relating to such other matters shall be kept in the files of the Committee.

Rule 6.—Quorum

No executive session of the Committee or a Subcommittee shall be called to order unless a majority of the Committee or Subcommittee, as the case may be, are actually present. Unless the Committee otherwise provides or is required by the Rules of the Senate, one member shall constitute a quorum for the receipt of evidence, the swearing in of witnesses, and the taking of testimony.

Rule 7.—Staff Present on Dais

Only members and the Clerk of the Committee shall be permitted on the dais during public or executive hearings, except that a member may have one staff person accompany him or her during such public or executive hearing on the dais. If a member desires a second staff person to accompany him or her on the dais he or she must make a request to the Chairman for that purpose.
